

Dear Colleague,

We hope you are well in these difficult times we have. As you know, due to the COVID-19 pandemic that affected the whole world, XI. International Congress of Hittitology, which planned to be held on **31 August- 06 September 2020**, was postponed to **6-12 September 2021**.

It was expected that the pandemic would be under control during this time, which was a decision made by considering public health and safety. However, unfortunately, the pandemic has still not been under control yet, and it is a concern for us that many colleagues will attend from abroad. Therefore, an environment that allows a face-to-face congress under healthy conditions has not formed yet.

Considering this conditions XI. International Congress of Hittitology is decided to be held online between **13-19 December 2021**.

Detailed information about the congress will be sent to you via e-mail. You can write us at [hititkongresi2020@gmail.com](mailto:hititkongresi2020@gmail.com) for any issue.

Best Regards.

A handwritten signature in blue ink, consisting of a large loop and a horizontal stroke.

Prof. Dr. Ayg l S  el  
President of Congress
